Cookie Policy

Information on how we use cookies

Our site uses cookies to customize your visit to our site, providinga good browsing experience and also allowing us to improve our sites. Continuing to browse on our site, you consent to our use of cookies.

What are cookies

Cookies are small text strings we store on your device browser (computer, tablet, etc.) with the aim of keeping and sending information. Whenever you return to our site, the browser sends these cookies back, allowing you to enjoy a personalized navigation experience, simpler and faster, avoiding performing certain operations, such as entering data, several times even in subsequent navigations.

What kind of cookies are there on our site?

We use the following types of cookies:

- Technical cookies. These cookies are used for the sole purpose of allowing normal browsing and use of the website. This type of cookies includes, for example, cookies that allow you to access secure areas of our site, use a shopping cart or use electronic billing services.
- Analytical cookies. They allow us to recognize and count the number of site visitors and view them as such they surf on it. These cookies help us improve the way the site works, for example, by ensuring that users can easily reach what they are looking for on the site.
- Functional cookies. They allow us to recognize you when you return to our site customizing the content we offer you, welcoming you by name and remembering your preferences (for example, your language choice or region).

Your prior consent is not required for these types of cookies.

- Profiling cookies. These cookies record your access to our site, the pages you visited and the links you followed. We will use this information in order to make our site and the advertisements shown on it more consistent with your interests. We may also share this information with third parties for the same end.

The use of these cookies requires the release of your prior consent.

We inform you that you can in any case prevent the installation of any type of cookies through your settings browser.

However, if you choose to delete or refuse technical cookies, your decision may affect different features or services of our site, slowing down or disturbing its navigation. We also inform you that you can delete the cookies installed on your device through the browser settings.

For more information on cookies, including how to display cookies installed and how to manage and/or delete them, please visit www.aboutcookies.org or www.allaboutcookies.org.

Third-party cookies

We inform you that third parties (including, i.e. advertising networks and external service providers such as analytical services of web traffic) may use cookies over which we have no control. These cookies are generally analytical or profiling ones.

How long are cookies stored?

Except for technical cookies, all cookies expire at the end of the session, except for:

- COOKIE_SUPPORT and GUEST_LANGUAGE_ID: time needed to refine the choice;
- _ga: 2 years;
- _gid: 24 hours;
- _gat: 1 minute

In the table below you can find more information about the cookies we use through our website and the purposes for which we use them.

Cookie	Name	Scope	Infos

Liferay ID Cookie	Company_ID	Used to manage an access ID	https://www.liferay.com/it/privacy-policy
